Never Got Over You

Jessi Colter

What's this feelin' I'm havin'
What's comin' over me
I'm afraid I can't recover
From what you've done to meWithout you I feel cold and lonely
Oh, my heart feels so strange
You've got me walkin' the wild side
Feel so strong, I feel dangerThese empty arms of desire, baby
Stayed open way too long
But I feel like I'm goin' crazy
But my love rages on, mmmmI'm not sure you've gotta heart, baby
Never seen love you make
You didn't think I'd go there
But you lead me all the wayThese empty arms of desire, baby
Stayed open way too long
But I feel like I'm goin' crazy
But my love rages onMmmm, yes, these empty arms of desire, baby
Stayed open way too long
But I feel like I'm goin' crazy
But my love rages onI will never (I will never)
I will never (I will never)
I will never (get over you)I will never (I will never)
I will never (I will never)
(Get over you)
