

# On A Night Like This

[Chris Mann](#)

On a night like this,  
I could fall in love, I could fall in love with you  
In this dark so dense, we talk so soft  
The way young lovers do.  
The day's last sigh  
Turns a cool night breeze  
And this love hangs thick like these willow leaves  
I've hid myself away from this

But your silhouette is a Judah's kiss  
The day's last sigh  
Turns a cool night breeze  
And this love hangs thick like these willow leaves  
I've hid myself away from this  
But your silhouette is a Judah's kiss  
On a night like this  
I could fall in love, I could fall in love with you
