Suffer

Godhead

I wouldn't waste my time with anyone but you
But wasting time is all I do
Holding on to self control gets harder every day
Torture me no more, I go awayI wait for you to see the truth
I tell myself you'll learn the answerI'll count the days
I've suffered through
To see if they add up to youI never look into your eyes to see the truth
I know I'll never become you
Tell me why your conscience lies and all your guilt is gone
Don't you feel you ever could be wrong?I wait for you to learn the answerI'll count the days
I've suffered through
To see if they add up to youI'll count the days
I've suffered through
To see if they add up to youIt never pays
To struggle through
When all that's left is killing you
