If Then

Bad Veins

I am confession you're unforgiving sin
I am the anchor you are the gusty wind
I am an umpire you are a guessing game
I am the camera youre out of frameIf you whisper I'll hear
and if you go I will know
Your effort to dissaper
is no match for an old scarecrow
My light cuts through the fog
and I can see it in your eyes
What you're hiding I will find
You cant hide this time
I am the tight rope you are the city below
I'm the destrucion you are the afterglow
I am a compass your castle's in the air
I am heartbroken you just don't careIf you whisper I'll hear
and if you go I will know
Your effort to dissaper
is no match for an old scarecrow
My light cuts through the fog
and I can see it in your eyes
What you're hiding I will find
You cant hide this timeI am the silence you are the marching band
I am the sleep you are the wonderland
If you whisper I'll hear
and if you go I will know
Your effort to dissaper
is no match for an old scarecrow
My light cuts through the fog
and I can see it in your eyes
What you're hiding I will find
You cant hide this time
