

# Holy Diver

## Satellite High

Holy Diver

You've been down too long in the midnight sea

    Oh what's becoming of me

    Ride the tiger

You can see his stripes but you know he's clean

    Oh don't you see what I mean

    Gotta get away

    Holy Diver... yeah

    Shiny diamonds

Like the eyes of a cat in the black and blue

    Something is coming for you

    Look out!

    Race for the morning

You can hide in the sun 'till you see the light

    Oh we will pray it's all right

    Gotta get away, get away

    Between the velvet lies

There's a truth that's hard as steel... yeah

    The vision never dies

Life's a never ending wheel... said

Holy Diver

You're the star of the masquerade

No need to look so afraid, jump, jump!

    Jump on the tiger

You can feel his heart but you know he's mean

    Some light can never be seen... yeah

Holy Diver

You've been down too long in the midnight sea

    Oh what's becoming of me, no, no!

    Ride the tiger

You can see his stripes but you know he's clean

    Oh don't you see what I mean

    Gotta get away, get away

    Gotta get away, get away... yeah

Holy Diver, so survivor, you know he's clean

    Holy Diver, Holy Diver

Never come to knew, coming after you, Holy Diver

    Holy Diver... yeah

Alright, get away, get away, get away  
Holy Diver, Holy Diver, Holy Diver...
