Go Back Home

U.S. Bombs

all of my friens theyre actin like theyre dead all of friends lie about what they said some of them get in a band the wagons really full this week yer a funny punk yer wisdoms full go back home back where you belong go back home back to where yer from somebody died and had nowhere to go somebody died so ya cut and dyed your hair alternative and arty gigs a tee-shirt print sid yer alty wannabes someone kill that word when all is said and done i wanna fight dont wanna die get out of the way out of the way out of the way
