Angel

Weekend Players

An ocean of you
Lost in wave upon a daze
And under a blanket of blue
Lay sailin'Driftin' with the tide
My heart an ocean wide
Lay sailin'But white horses wouldn't keep me from jumpin' in too deeply
'Cause I found me an angel
Gave wings to my heart, love has found me
AngelLike a feather fallin', my heart's callin' you
Angel
Gave wings to my heart, love has found me an
AngelSound the trumpets loud, Heaven on earth I've found
Angel
My desert heart's in bloom, don't take away too soon
'Cause I found me an angelGave wings to my heart, love has found me an
Angel
Like a feather fallin', my heart's callin' you, my devotion is true
Ooh, angel
