America'z Most Complete Artist

Dj Quik

And just when you motherfuckers thought it was over
I'm back up in this motherfucker
(You better get ready)
For-for-for for America'z most complete artist
What's your name boy?
I am America'z most complete artist
(You better get ready)
For America'z most complete artist
Doin' much damage in the ninety two
For America'z mo-mo-mo-mo
Most complete artist-artist-ar-ar-artist
Now DJ Quik is the nigga that's comin' up real thick
I'm a stone funkaholic yet I don't need schick
Because there ain't another nigga more versatile
DJ Quik been bustin' funky rhythms all the while
And this song is for the homies who was down with me
When I was broke as a joke, flat with no money
And to them doubtin'-ass motherfuckers, 'cause they don't know yeah
Instead of showin' and provin' yo I'm provin' that I'm the show
Now who wants to fade this modern day prophet?
Take two steps forward, one shell and you droppin'
Because I don't go toe to toe, I go hoe to hoe
Yo' hoe is so-so, so yo
I think I better let her go 'cause she ain't worth my time
And before I get off into another rhyme
I'ma bring this verse to a climax, grab the axe
Open the door, clear the floor and make way
For America'z most complete artist, me
What's your name boy?
I am America'z most complete artist
Sucker ass niggaz can't fade me
(You better get ready)
For America'z most complete artist
Quik, what kind of name is that for a nigga?
For America'z mo-mo-mo-mo
Most complete artist-artist-ar-ar-artist
Now when I say I'm complete
That means I'm true to my game and my cap
And I refrain from bein' played like a sap

And a bitch, no bitch can handle what I'm kickin'
They say I'm trippin' but they stick around my room for a dickin'
'Cause the power of the Quiksta's too overwhelmin'
And when you let me rip I'm goin' in with a helmet
That's why your little brother wants to be like me
I'm surrounded by the trueness that suckers fail to see
Now second too none, is you down with the Quik? What you think?
Mr. Bankin' is you down with the Quik? Yeah, you know it
Playa hamm is you down with the Quik? Oh but of course playa
And everybody else can get the dick
Now on my last album, I said I rolled too motherfuckin' deep
That was for them suckaz that was tryin' to creep
But peep the real that when I got that murderin' feelin'
I can take a loss and make a killin' and still be
America's most complete artist
Fuck these punk ass niggaz
(You-you-you better get ready)
For America'z most complete artist
For America'z most complete artist
Doin' much damage C P T style
(You better get ready)
For America'z mo-mo-mo-mo
Most complete artist-artist-ar-ar-artist
(Yo fuck the bridge, I better take y'all into the canal, kick it)
Mo pussy, mo pussy, mo pussy
Damn, that's how a nigga like me is
True to it, ain't fakin' for the showbiz
All the true ass niggaz, yup ya know this
But the others jock jockin' me like they hoe is
'Cause DJ Quik can be as funky as the douche
Stutter steppin' with pep but still I manage to givin' the suckaz
The boot if they ask for it, because they know I flow it
Need I say more? No, well that's it
For America'z most complete artist
(You better get ready)
For America'z most complete artist
What's your name boy?
I am, America's most complete artist
(You better get ready)
For America'z mo-mo-mo-mo
Most complete artist-artist-ar-ar-artist
