Everybody says they want it
When they think you got it
If you don't know you have it
Everything is just fine
It's a blanket situation
This life of minePeople say get real
Get a job, get a life
Stop wasting your time
You only get one try
Take care of what's yours
And it'll be all rightThat's why I live my life for Rock and Roll
Lifts me up to satisfies my soul
Keep the edge on me, keep me strong
Keep me going onFrom Sioux St. Marie
To Boise Idaho
Muscle Shoals Alabama
To the Gulf of Mexico
You gonna catch me Rockin'
On the roadThat's why I live my life for Rock and Roll
Lifts me up to satisfies my soul
Keep the edge on me, keep me strong
Keep me going onGotta watch some people
When they think you're on a roll
They do and say something evil
Try to hinder your soul
They'll do it just to see
If you'll lose control
