

# Kingdom At War

## Dream Evil

We stand here in silence  
Ten thousand with weapons in hand  
Brought out of violence  
For freedom I gathered these menWe're riding on the wings of Odin  
In glory we believeA kingdom at war  
Forever stand united  
A kingdom at war  
Together we gain ground  
Fight in the warSteel strikes like lighting  
Bodies are twisted in pain  
Although it's frightening  
Our losses should not be in vainWe're riding on the wings of Odin  
In glory we believeA kingdom at war  
Forever stand united  
A kingdom at war  
Together we gain groundJust like a shadow we sneak up behind  
Don't take no prisoners, it's killing timeWe're riding on the wings of Odin  
In glory we believeA kingdom at war  
Forever stand united  
A kingdom at war  
Together we gain ground  
Fight in the war
