Party Fears Two

The Divine Comedy

I'll have a shower
And then phone my brother up
Within the hour
I'll smash another cupPlease don't start saying that
Or I'll start believing you
If I start believing you
I'll know that this party fears twoAnd what if this party fears two?
The alcohol loves you while turning you blue
View it from here
From closer to near, awake meDon't turn around
I won't have to look at you
And what's not found
Is all that I see in youMy manners are failing me
I'm left feeling ugly
And you say it's wonderful
To live with, I never willSo what if this party fears two?
The alcohol loves you while turning you blue
View it from here
From closer to near, awake meI'm standing still
And you say I dress too well
Still standing still
I might but it's hard to tellEven a slight remark
Makes no sense and turns to shark
Have I done something wrong?
What's wrong is wrong, it's always wrongI'll have a shower
And then phone my brother up
Within the hour
I'll smash another cup
