I Gotta Go

The Cashmeres

Whoo, good evening
I'd like to thank everybody for coming out
Hope your flights were safe
Feeling real breezy, swift like the windIt's calling my body
It's calling my soul
It's calling my mind
But girl I gotta goBaby, it's the grind
Yes I had a good time
(Don't get me wrong)
You were so goodAnd I really wish I could
Stay a little bit longer
Love you a little bit stronger
And go a little deeperBaby with you
But since this thang is calling I
Gotta answer dry your eyes
Girl don't cry
'Cause your making it hard for me'Cause I don't want to leave
(Ooo girl)
But I gotta go right now
I'll be back to hold you down(I don't wanna)
I don't want to leave no
But girl I gotta go right now
But I'll be back before you know itSo hold that thought
(That thought)
Don't you move
See I'm coming right back
Right back for youDon't you change your position
Girl I'm on a mission
Baby trust I'll be missin'
Missin' you
'Cause I don't wanna leaveI don't want to leave
(Leave, leave, leave you baby)
But I gotta go right now
(But I gotta go though)I'll be back to hold you down
But I don't want to leave no no no
But girl I gotta go right now
But I'll be back before you know itStreets be calling me
(Ooh, they be callin' me)
They be calling my name

And when they call I gotta goSo I'm letting you know
(But I)
I wont be gone for long
And already I can't wait
To come home to youI don't want to leave
(Ohh girl)
But I gotta go right now
I'll be back to hold you down(I don't wanna, but I gotta)
(I'll be back to hold you down)
I don't want to leave
But girl I gotta go right now
But I'll be back before you know itI don't want to leave
But I gotta go right now
I'll be back to hold you down
I don't want to leave
But I gotta go right now
But I'll be back before you know itBreak it down now, ow
Naw I don't want to leave
But you know how it is when
Whoa baby keep that on
Don't take it off, keep in on
So I can take it off when I come back
Yeah fo' shoI don't want to leave
(Since this thang is calling I)
But I gotta go right now
(Gotta answer dry your eyes)
I don't want to leave
(Girl, don't cry)But girl I gotta go right now
(Since this thang is calling I)
I'll be back before you know it
(Gotta answer dry your eyes)
