Hey Pretty Girl

Kip Moore

Hey, pretty girl, won't you look my way
Love's in the air tonight
Bet you could make this ol' boy's day
Hey, pretty girl, won't you look my way
Hey, pretty girl, can I have this dance?
And the next one after that
Gonna make you mine, there's a real good chance
Hey, pretty girl, can I have this dance?
Hey, pretty girl, it feels so right
Just like its meant to be
All wrapped up in my arms so tight
Hey, pretty girl, it feels so right
Life's a lonely, winding ride
Better have the right one by your side
Happiness don't drag it's feet
And time moves faster than anything
Hey, pretty girl, wanna take you home
My momma's gonna love you

She'll make me sleep on the couch, I know
Hey, pretty girl, wanna take you home
Hey, pretty girl, let's build some dreams
A house on a piece of land
Plant some roots and some apple trees
Hey, pretty girl, let's build some dreams
Life's a lonely, winding ride
Better have the right one by your side
Happiness don't drag it's feet
And time moves faster than anything
Hey, pretty girl, you did so good
Our baby's got your eyes
And a fighter's heart like I knew she would
Hey, pretty girl, you did so good
Hey, pretty girl, when I see the light
And it's my time to go
I'm gonna thank the lord for a real good life
A pretty little girl and a beautiful wife
