Unwanted

Kill Hannah

I dedicate this song
To the boys who don't belong
To the girls who get it wrong
I'm dedicating this
To the ones who don't exist
Are you hearing this?
Are you hearing this?Unwanted, unneeded
You've always been mistreated
Hang on!
(Don't do what they say to)
Unwanted
And been for so long
Say, "Hey, Mom!
I'm never coming home again"I dedicate this song
To my boys who are strong
They just don't go along
I'm dedicating this
To the girls who don't fit in
From the orphanage
Now here this!Unwanted, unneeded
We've always been frustrated
hang on!
(Don't do what they say to)
Wnwated and been forever
Said, "Hey, Mom!
We're never going home again!"I dedicate this song to the ones who don't belong
Unwanted
To the ones who don't belong
I know who you are
Hang on!
We're never going home again
