

# Saving Grace

## Pretenders

I've really made a fool of myself  
I hit the wall but it never bothered you at all  
My pony bolted out too soon  
And left me howling at the moon You are my saving grace  
(Oo my saving grace)  
You put me in my place  
(You put me in my place)  
I see your smiling face  
(I see your smiling face)  
The clouds disappear, and blue skies fill the space  
You are my saving grace I didn't know what I was s'posed to be  
So I tried to bluff, but I never offered you enough  
Now I'm feeling the remorse  
I want you back because of course You are my saving grace  
(Oo my saving grace)  
You put me in my place  
(You put me in my place)  
I see your smiling face  
(I see your smiling face)  
The clouds disappear, and blue skies fill the space  
You are my saving grace Do you remember when, you gave your heart to me?  
I want it back again, I want it back again  
Oh baby, sweet baby Won't you reconsider me?  
'Coz as anyone can see. You are my saving grace  
(Oo my saving grace)  
You put me in my place  
(You put me in my place)  
I see your smiling face  
(I see your smiling face)  
The clouds disappear, and blue skies fill the space  
You are my saving grace, you are my saving grace You are my saving grace, you put me in my place  
I see your smiling face  
(I see your smiling face)  
The clouds disappear, and blue skies fill the space  
You are my saving grace, you are my saving grace  
You are my saving grace
