Ghetto Rainbows

Insane Clown Posse

How the fuck could this be? Up in the sky?
There is a rainbow over the hood.
How the fuck could this be? Up in the sky?
There is a rainbow over the hood.
How the fuck could this be? (This Rainbow) Up in the sky? (Over the ghetto)
There is a rainbow (A Rainbow) over the hood.See we got homes abandon fires flare,
don't dare walk down over there,
hookers, pimps oxi80's
trailer park meth labs, crack babies.
In the spot workin' cook up, walk outside,
take a look up! It's a Rainbow over the city,
look back down aroun' you, Shitty!
Gosh, just heard trailers are lurkin',
yet still i hear the birds are chirpin',
this world ain't meant for this,
so much bliss but easy to miss,
Rubbers on the sidewalk, used syringes,
Stuck in a hotel 2 week binges,
look high to remind you
even if your lost rainbows will find you!Chorus X4Built with aids, pepsi, coke
i ain't talkin' pepsi, cracksmoke
all in the rain, down the drain
moms in pain need that boy in her veins
it's so hard so many distractions,
so much negative action
keeps your attention placed, off the magic, and on the waist!
If you see a rainbow look quick, potholes will wreck yo shit!
Don't get caught dreamin' i hope,
your head might get locked in the scope!
If your standin' there lookin' at a rainbow,
you might wonder, where'd your brains go?
For everyone that wanna see you succeed
a hundred mo' wanna see you bleed!Chorus X2Cars on blocks, litter the road,
skys above glitter with gold,
body in an alley wit blew out brains,
there'll still be a rainbow after it rains!
Rainbows don't hate or discriminate,
its mankinds fate to create mistakes,
just look at the skys above the gutta

above the warzones above eachotha!
Rainbows stretch over lands of ruin,
Over troubles brewin'
whatever we doin'
don't live blind a sheep in line find it
save the best of yo' time!
G codes street codes rules i drop,
i only get this one chance i won't drop,
its more than i got imma find the pot
at the end of the rainbow like it or not,
im not gonna rot, stop on the block,
shot by a cop in the parkin' lot,
when my feet stop least iv'e gave it a shot
no regrets when my death goes pop!There's a Rainbow. (Where!?) Over The Ghetto.!
Right there.! There's a Rainbow. (Over the hood)
Chorus x2
Hahahahaahahahaha.
