

Best Shot

Birdy & Jaymes Young

When you're on your own and you feel lost
When your heart's a mess though you've given your best. I'll be here giving it my best shot baby your love's got
more than I need.

Here crying from the rooftops.

Nothing can stop us if we believe.

Here giving it my best shot baby I find that we can be free. When you're here with me. When your sky is dark
and the earth is shaking your bed. Your hope is at its end you just need one friend. I'll be here giving it my best
shot baby your love's got all that I need.

Here crying from the rooftops.

Nothing can stop us if we believe.

Here giving it my best shot baby I find that we can be free. When you're here with me. When you can't find
your way and all around you walked as deep and grey.

The stars fall from above and you're barely holding on my love. Giving it my best shot baby your love's got all
that I need. Here crying from the rooftops.

Nothing can stop us if we believe.

Here giving it my best shot baby I find that we can be free. When you're here with me.
