In Memory Of...

A Story Inspired

I can't breathe, this void inside of me.
I wish that i could see
(i could see)
some form of clarity.
I can't accept that you're gone
i won't ever hear your voice again.
Its hard to forget someone
WHO GAVE YOU SO MUCH, SO MUCH TO REMEMBER
(sometimes they become)
SUCH A HUGE PART OF YOUR LIFE.

I just can't seem to let this go
what helps me breath is gone and never coming home,
i just can't seem to let this go,
(IN MY MEMORY)
what helps me breath is gone and never coming home
(IN MY MEMORY)

SOMETIMES PAIN IS ALL THAT I KNOW,
I'M FADING FAST BUT I KNOW I'M
NOT ALONE.
BREATH IN BREATH OUT,
EVERYONE HAS THEIR VICE,
BREATH IN BREATH OUT,
BUT YOU CAN LIVE FROM MINE

I can't accept that you're gone
i won't ever hear your voice again.
Its hard to forget someone
WHO GAVE YOU SO MUCH, SO MUCH TO REMEMBER
(sometimes they become)
THE ONLY THING THAT KEEPS ME ALIVE

I just can't seem to let this go
what helps me breath is gone and never coming home,
i just can't seem to let this go,
(IN MY MEMORY)
what helps me breath is gone and never coming home
(IN MY MEMORY)

Sometimes pain is all that i know
fading fast but i know im not alone, Sometimes pain is all that i know
fading fast but i know im not alone

I just can't seem to let this go
what helps me breath is gone and never coming home,
i just can't seem to let this go,
(IN MY MEMORY)
what helps me breath is gone and never coming home
(IN MY MEMORY)
