

Famous Last Words

Jars of Clay

You say you heard every word, but I watched you turn away
Your eyes grew colder than winter
"Love is so intrusive," I thought I heard you say
And laugh so unconvincingly Famous last words, "I'm not ready yet"
"I won't be gone a minute" Narrow is the road and too high a price to pay
When loneliness is such a sanctuary
Empty are the musings and wasted are the days
When you say you were only waiting And famous last words, "I'm not ready yet"
"I won't be gone a minute" and I won't forget
Famous last words
If tomorrow never comes, will I ever know that I was in love? I was in love
In love You say you heard every word, I watched you turn away
You were only waiting
