Prayer Song

Robby Romero & Red Thunder

Robby Romero â€“ Prayer Song

â€œGreat Spirit grant me vision that I may not go wrong
And find myself imprisoned of things I have not done
Teach me the secret that I might see
Fill my heart with compassion to love my enemy

Mother Earth will feed our hunger
Father Sky will love her well
Make me worthy of this vision
That no human tongue could ever tell..

The Winds of Life flow in four directions
The Sacred Waters flow to the sea
The Eagle fly as high as any mountain
Oh Great Spirit Keep Us Free..

Give me strength to learn the lesson
Make me wise to understand
What it takes to walk in beauty
As I learn to walk this Sacred Land..

The Winds of Life flow in four directions
The Sacred Waters flow to the sea
The Eagle fly as high as any mountain
Oh Great Spirit Keep Us Free..

Oh Great Spirit Keep Us Free
Oh Great Spirit Keep Us Free
Oh Great Spirit Keep Us Free

I pray to you Great Spirit - please hear me..â€•
