

# My Soul Rejoices in God

## The Collegeville Composers Group

My soul rejoices in God, all my being blesses God's name  
My soul rejoices in God, all my being blesses God's name

My soul glorifies the Lord, my soul rejoices in God  
My spirit rejoices in God, my Savior  
All my being blesses God's name

My soul rejoices in God, all my being blesses God's name

He looks on his servant in her lowliness: my soul rejoices in God  
Henceforth all generations will call me  
blessed, all my being blesses God's name

My soul rejoices in God, all my being blesses God's name

The Almighty works marvels for me, my soul rejoices in God  
Holy his name! All my being blesses God's name

My soul rejoices in God, all my being blesses God's name
