

Unconditionally

Nu Flavor

Until Eternity
Unconditionally...
Here alone up in my room
Wishin I could be alone with you
You were my lover and my friend
Why did it have to end
Is it really over
Cos I can't sleep without you here
I'm afraid I'll drown in my own tear
You were the shadow by my side
Now all I do is cry
I don't wanna live without you
I was a fool and I broke your heart
I'm goin crazy
Please listen to me lady

Chorus

Now your all that I need
I'm beggin you please
Don't take your love away from me
I'll give you my heart until eternity
Unconditionally

Reminiscing of how we used to be
I can feel your body close t o me
I know that was yesterday
I threw it all away
Leaving you brokenhearted
I'll give you my heart til the end of time
And if you take
I know that we can make it
(I know that we can make it)

~Repeat chorus~

Darling, now I'm down on my knees
(I'm down on my knees)
Begging you please
(Begging you please)
Don't take your love away from me
(Don't take your love away from me)
I'll give you my heart

(I'll give you my heart)
~Repeat chorus til fade~
