Lovin' Is Really My Game

Sylvester

I can't catch no man
Hangin' out at a discotheque
But I believe in the boogie
Oh, but the boogie don't believe in meWell, I got my way of groovin'
Sittin' down right in my seat
I get soul satisfaction
Yeah, without jumpin' up and down on my feetWhoa, ho disco guy
You'll be sorry if you pass me by
I've got what you need
Boy, I wouldn't tell you no lieWhy not give me a chance?
I swear I could prove it
That don't mean I can't move it
And it's close to perfection
I just use it in another direction, yeah
Ooh, ooh, yeahI can't catch no thrill
Though the music they're playin' makes me feel
When all is said and done
Well, now I know what it's all aboutWell, hey, come along with me
If you do I will guarantee
I'm gonna give you my love
And the way it's gonna make you shout, shout, shout, boyDisco guy
You'll be sorry if you pass me by
I've got what you need
And boy, I wouldn't tell you no lieWhy not give me a chance?
I swear I could prove it
That don't mean I can't move it
And it's close to perfection
I just use it in another directionI can't catch no man
Hangin' out at a discotheque
But I believe in the boogieOh, but lovin' is really my game
Well, lovin' is really my game
Well, lovin' is really my game
