

# Can't Wait

Bob Dylan

I can't wait  
Wait for you to change your mind  
It's late  
I'm tryin' to walk the line Well, it's way past midnight  
And there's some people all around  
Some on their way up  
Some on their way down The air burns and I'm tryin to think straight  
And I don't know how much longer I can wait  
I'm your man  
I've tried to recover the sweet love that we knew You understand  
That my heart can't go on beating without you  
Well your loveliness has wounded me  
I'm reeling from the blow I wish I knew what it was that keeps me loving you so  
I'm breathin' hard standin' at the gate  
Oh, but I don't know how much longer I can wait  
Skies are gray I'm looking for anything that will bring a happy glow  
Night or day  
It doesn't matter where I go anymore I just go  
If I ever saw you comin' I don't know what I might do I'd like to think I could control myself  
But it isn't true  
That's how it is  
When things disintegrate And I don't know how much longer I can wait  
I'm doomed to love you  
I been rollin' through stormy weather  
I'm thinkin' of you And all the places we could roam together  
It's mighty funny  
The end of time has just begun  
Oh honey, after all these years you're still the one Well I'm strollin' through the lonely graveyard of my mind  
I left my life with you  
Somewhere back there along the line  
I thought somehow that I would be spared this day I don't know how much longer I can wait
