

Work Work

Britney Spears

You wanna...

You wanna...

You wanna hot body

You wanna Bugatti

You wanna Maseratti

You better work bitch

You wanna Lamborghini

Sip martinis

Look hot in a bikini

You better work bitch

You wanna live fancy

Live in a big a mansion

Party in France

You better work bitch

You better work bitch

You better work bitch

You better work bitch

Now get to work bitch

(aaaaaa oooh)

Now get to work bitch

(aaaaaa oooh)

Bring it on

Ring the alarm

Don't stop now just be the champion

Work it hard like its your profession

Watch out now

Cause here it comes

Here comes the smasher

Here comes the master

Here comes the big beat

Big beat to blast off

No time to quit now

Just time to get it now

Pick up what I'm puttin down
Pick up what I'm puttin down

You wanna hot body
You wanna Bugatti
You wanna Maseratti
You better work bitch

You wanna Lamborghini
Sip martinis
Look hot in a bikini
You better work bitch

You wanna live fancy
Live in a big a mansion
Party in France
You better work bitch
You better work bitch
You better work bitch
You better work bitch

Now get to work bitch
(aaaaa oohhh)
Now get to work bitch
(aaaaa ohhhh)

Break it off
Break it down
See me coming
You can hear my sound

Tell somebody
In your town
Spread the word
Spread the word

Go call the police
Go call the governor
I bring the trouble
Don't mean to trouble ya

I make it bubble up
Call me the bubbler
I am the bad bitch
The bitch that you're lovin' up

Hold your hand high
Fingers to the sky
They gon try to try ya
But they cant deny ya
Keep it movin higher
And higher
Keep it movin higher
And higher

So hold your hand high
Fingers to the sky
Now they dont believe ya
But they gonna need ya
Keep it movin higher
And higher
Keep it movin higher
And higher
And higher

Work, work, work, work, work,
Work, work, work, work, work,
Work, work, work, work, work,
Work it out, work it out, work it out, work it out,
Work it out, work it out, work it out, work it out,
Work it out, work it out, work it out,
Work it out, work it out, work it out

You better work bitch
You better work bitch
