You're gonna lose my love

I ain't got no time to play
You better hurry it up
Cause every time I come around
Crews run around your way
I see you on the corner
But you don't know what to say
When I walk up to you baby
You seem so shy
What's the problem baby

Never had a girl like I

I can see right through you

And you know you wanna be mine

So get your act together

Cause you're running out of time[Chorus]Every time I see you with your boys

You pretend as if you don't want me

When you get home you call me on the phone

And tell me how much you careYo, close your eyes, shorty

You're guaranteed to be hypnotized

By the remix that Wyclef provides

I don't care 'bout your size

Girl shake your thighs

All I'm tryin' to do

In the hood is stay alive

Make a little money with Destiny's Child

Thugs hear this song, they dance, they go wild

Like Texas, they movin' like

No limit soldiers

They went from a dream to the

Young supremes, sing it girls[Chorus]
