Verse 1

I gotta problem, I got the answer now
No more singin chicks Im messin with a dancer now
She got a stripper pole, know how to break it down
She went from nothing to something, she tryna make it now
She's original I boosted up her style
She's got a downtown bitch just to make me smile
We was finna go but she naked now, and she did it in front of an audience

Pre- Chorus

Shawty got ass
Skinny lil waste, I aint stupid can't let it go to waste
Man dam she got swag
Temperatures heat, picture perfect every scene
Any camera FLASH
Go and try to get her, but when you do she says that im with her
They got the last, im chasin with the mask
Tell me whos meaner when I switch em like sneakers

Chorus

And you know I never never wear the same pair twice
I gotta keep em laced cause my tounge game nice
I rock em like you never do, chick game is phenomenal
Can't take nothing from me cuz I live that life

(x2)

Verse 2

I can't get rid of her, cant understand it now
I got the fresh girl nigga you got the hand me down
You got the sloppy seconds, already dug it out
I did my dougie, sat down and let her work it out
She got them cakes out, I call her betty crocker
Mr. Flinstone I can make your bed rock
When I was tryna go, she got naked now

Shawty took it off in a dolorian

Pre- Chorus(x1)

Chorus

And you know I never never wear the same pair twice
I gotta keep em laced cause my tounge game nice
I rock em like you never do, chick game is phenomenal

Cause I treat em like shoes

Verse 3 - Darkman

Whether Jordan 13s or Jordan D-wades
With every new pair my old pair feel played
New Carmello's, new Chris Paul's
Little do they know I love all yall
I treat em like pros, high top or lows
Space Jam, Buggs bunny, Jordan retros
She bring it back, Barkley's all black
Or the red, white and gray Air Mags
I like that, a closet full of sneakers
Just like my black book full of freakers
Lotta dark men, L.A deep
Only wear nike or the timbaland shoes

Bridge

I treat em like shoes, yea that's what I do
Man a nanny boo boo, im shittin on you
I treat em all like shoes, some rough and some smooth (just like shoes)
More than ones that I use, she gotta a dunk alieou
Nikes like new, treat em all like shoes (treat em all like shoes)

Chorus(x2)
