# Brand New Day

## Mike Candys

Evelyn:
See the sun in the sky, let?s have a good time
Life is going on, this is a brand new day
Dance and feel fine, we see the stars shine
Life is going on, this is a brand new day

Carlprit:
It feels like a brand new day
We made it, that?s right
This is a brand new day
Let?s celebrate, come on

Evelyn:
See the sun, e-e-e-e-e a-a-a-a this is a brand new day
See the sun, e-e-e-e-e a-a-a-a this is a brand new day

Carlprit:
We taking off, this is a brand new day, so thank God
Holding ? so we ain?t gon? stop
A celebration tonight we rock
Woke up in the morning feeling like a brand new man
The sun still shines and the world didn?t end
And the kids still playing, and the world ?
And boom thank God for making my friends
So take your chance to make the world alright
Tonight?s the night, we gon? go all night
It?s a party right to celebrate your life
Better yet, we?ll celebrate all night
Cause ? have the world shaking,
The world didn?t end when they said it will
But instead we?re here, and we made it
To the brand new day that we?re making

Evelyn:
See the sun in the sky, let?s have a good time
Life is going on, this is a brand new day
Dance and feel fine, we see the stars shine
Life is going on, this is a brand new day

See the sun, e-e-e-e-e a-a-a-a this is a brand new day

See the sun, e-e-e-e-e a-a-a-a this is a brand new day

Carlprit:
So let?s let it go, free your mind and you free your soul
Free your soul and you free your whole,
Free your whole and you free your soul
It?s a brand new world and we made it
So let?s jum? and get the world shaking
Or better yet, bring it back, we?ll take it
And let?s spread the love that we?re making

Uh, life is going on, this is a brand new , brand new day
We got the beautiful Evelyn, the miraculous Mr. Mike Candys
And I?m still Carlprit

Evelyn:
See the sun in the sky, let?s have a good time
Life is going on, this is a brand new day
Dance and feel fine, we see the stars shine
Life is going on, this is a brand new day

See the sun, e-e-e-e-e a-a-a-a this is a brand new day
See the sun, e-e-e-e-e a-a-a-a this is a brand new day
A-a-a-a e-e-e-e-e a-a-a-a this is a brand new day
