

# I Really Like You (feat. ATC)

Max Schneider

I really really really really really really like you I really wanna stop  
But I just gotta taste for it  
I feel like I could fly with the ball on the moon  
So honey hold my hand you like making me wait for it  
I feel like I could die walking up to the room, oh yeah Late night watching television  
But how we get in this position?  
It's way too soon, I know this isn't love  
But I need to tell you something I really really really really really really like you  
And I want you, do you want me, do you want me, too?  
I really really really really really really like you  
And I want you, do you want me, do you want me, too?  
Oh, did I say too much?  
I'm so in my head  
When we're out of touch  
I really really really really really really like you  
And I want you, do you want me, do you want me, too? It's like everything you say is a sweet revelation  
All I wanna do is get into your head  
Yeah we could stay alone, you and me, and this temptation  
Sipping on your lips, hanging on by a thread, baby Late night watching television  
But how we get in this position?  
It's way too soon, I know this isn't love  
But I need to tell you something I really really really really really really like you  
And I want you, do you want me, do you want me, too?  
I really really really really really really like you  
And I want you, do you want me, do you want me, too?  
Oh, did I say too much?  
I'm so in my head  
When we're out of touch  
I really really really really really really like you  
And I want you, do you want me, do you want me, too? Who gave you eyes like that?  
Said you could keep them  
I don't know how to act  
Or if I should be leaving  
I'm running out of time  
I'm going out of my mind  
I need to tell you something  
Yeah, I need to tell you something  
I really really really really really really like you  
And I want you, do you want me, do you want me, too?

I really really really really really really like you  
And I want you, do you want me, do you want me, too?  
Oh, did I say too much?  
I'm so in my head  
When we're out of touch

I really really really really really really like you  
And I want you, do you want me, do you want me, too?
