

Some Things Last A Long Time

Built to Spill

Your picture is still on my wall
On my wall the colors are bright
Bright as everThe red is strong, the blue is true
Some things last a long time
Some things last a long timeYour picture is still on my wall
On my wall
I think about you, often, oftenI can't forget all the things we did
Some things last a long time
Some things last a long timeIt's funny but it's true
And it's true but it's not funnyTime comes and goes
All the while I still think of you
Some things last a long timeYour picture is still on my wall
On my wall the colors are bright
Bright as everTimes that we shared, all we forget
Some things last a life time
Some things last a life time
