Lifeline

Angels & Airwaves

With an urgent, careful stare,
I see panic in those eyes.
I see you lying there,
Thinking this was the last time

If you hear a distant sound,
And some footsteps by your side.
When the world comes crashing down.
I will find you if you hide.

If you wish it, wish it now.
If you wish it, wish it loud.
If you want it, say it now.
If you want it, say it loud.

We all make mistakes.
And turn it out.
If you want it, I want to.
We all make mistakes.
Here is a lifeline
If you want one too.

There's a field near the dream.

I watched it grow with widest eyes.
I watched us all reach out and read.
Feel the strength as we touched the sky.

If you hear a distant sound.
And some footsteps by your side.
If you feel like coming round.
I will take you for a ride.

If you wish it, wish it now.
If you wish it, wish it loud.
If you want it, say it now.
If you want it, say it loud.

We all make mistakes.
And turn it out.

If you want it, I want to.
We all make mistakes.
Here's your lifeline.
If you want I want too.

[Repeat: x8]
If you want I want too.
