

# We Are the World.

## USA for Africa

There comes a time when we hear a certain call  
When the world must come together as one  
There are people dying and it's time to lend a hand  
To life the greatest gift of all. We can't go on pretending day by day  
That someone, somewhere will soon make a change  
We are all part of God's great big family  
And the truth, you know, love is all we need We are the world, we are the children  
We are the ones who make a brighter day so let's start giving  
There's a choice we're making, we're saving our own lives  
It's true we'll make a better day just you and me Well, send them your heart so they'll know that someone cares  
And their lives will be stronger and free  
As God has shown us by turning stones to bread  
And so we all must lend a helping hand We are the world, we are the children  
We are the ones who make a brighter day so let's start giving  
There's a choice we're making, we're saving our own lives  
It's true we'll make a better day just you and me When you're down and out, there seems no hope at all  
But if you just believe, there's no way we can fall  
Well, well, well, well let us realize that a change can only come  
When we stand together as one We are the world, we are the children  
We are the ones who make a brighter day so let's start giving  
There's a choice we're making, we're saving our own lives  
It's true we'll make a better day just you and me We are the world, we are the children  
We are the ones who make a brighter day so let's start giving  
There's a choice we're making, we're saving our own lives  
It's true we'll make a better day just you and me We are the world, we are the children  
We are the ones who make a brighter day so let's start giving  
There's a choice we're making, we're saving our own lives  
It's true we'll make a better day just you and me... There comes a time when we heed a certain call  
When the world must come together as one

We are the ones who make a brighter day so let's start giving  
There's a choice we're making, we're saving our own lives  
It's true we'll make a better day just you and me...
