He's Coming Back

Jimmy Swaggart

Woah woah
He is comin back again X2

There is a god and it is in me
Hallowed is his holy name
He holds my life and he lets me breathe
Hallowed is his holy name

Yes, he is the lord
Author of heart beats
And he made us to love him more and more
And oh he is a king and we are waiting
For him to come back again

Woah woah
He is comin back again X2

There is a god and it is in me
Hallowed is his holy name
He is the one, all that I need
Hallowed is his holy name

Yes, he is the lord
Author of heart beats
And he made us to love him more
And oh he is a king and we are waiting
For him to come back again

Woah woah
He is comin back again X2

Father let your kingdom come
Let your will be done in me
On earth as it is in heaven
Yeah lord fulfill our daily needs
And forgive us when we fall
We will depend on you lord

Yes, he is the lord
Author of heart beats

And he made us to love him more
And oh he is a king and we are waiting
For him to come back again X3

Woah woah
He is comin back again X2
