Fuck U Over

The Summer Set

Let me set it straight, I've done some shit,
And maybe I ain't too proud of it
The monster in your bed
You were begging me "please don't stop!"
Said that I'm a douche bag, won't call back
The worst hangover you ever had
Felt so good at first, you knew that it could never last
Wanna wash the dirt off my hands, wanna get this all off my chest
But I'm no good at saying sorry, whoa oh!

I didn't mean to fuck you over,
I just want to have some fun
We can rock the world tonight but no it doesn't have to be love
I didn't want to hurt no body, I'm a throw my white flag up
We can rock the world tonight but no it doesn't have to be love
La la la la la, la la, la, la la, la la la la oh oh, oh, oh oh it doesn't have to be love

Climbing out your window, gypsy fade, just another typical Saturday
Wrong name, my mistake, I didn't mean to break your heart
We were on a joy ride, Bonnie and Clyde, never ever been so satisfied
Heartbeats, blinding lights yeah you kept me up all night, whoa oh!

I didn't mean to fuck you over, I just want to have some fun
We can rock the world tonight but no it doesn't have to be love
I didn't want to hurt no body, I'm a throw my white flag up
We can rock the world tonight but no it doesn't have to be love
La la la la la, la la, la, la la, la la la la oh oh, oh, oh it doesn't have to be love
La la la la la, la la, la, la la, la la la la oh oh, oh, oh it doesn't have to be love

You may never wanna see me again,
Go run and tell all your friends
That I'm no good, I'm no good
Don't wanna put up a fight,
I've had the time of my life
And I'm no good at saying sorry, whoa oh!

I didn't mean to fuck you over,
I just want to have some fun
We can rock the world tonight but no it doesn't have to be love
I didn't want to hurt no body, I'm a throw my white flag up

We can rock the world tonight but no it doesn't have to be love
La la la la la, la la, la, la la, la la la la oh oh, oh, oh it doesn't have to be love
La la la la la, la la, la, la la, la la la la oh oh, oh, oh it doesn't have to be love

I didn't mean to fuck you, I didn't mean to fuck you over,
I didn't mean to fuck you over (doesn't have to be love)
I didn't mean to fuck you, I didn't mean to fuck you over,
I didn't mean to fuck you over (doesn't have to be love)
