

# It's Gonna Be (Live At the Living Room)

Norah Jones

If all we talk about is money  
Nothing will be funny, honey  
And now that everyone's a critic  
It's makin' my mascara runny If we only talk about the 'Heathers'  
Making it together is crazy  
If we don't get a new situation  
For our busted nation, we're lazy But it's gonna be, it's gonna be  
Please make it be, it's gonna be Now if a princess becomes human  
Don't stone her on a talk show, you'll ruin  
'Cause there's a fine line between a skewer  
And a decent sense of humor Aim at the ones who've really hurt us  
They should be arrested for murders  
But then all the cameras were turned on  
Some skinny naked blond eating burgers But it's gonna be, it's gonna be  
It's gonna be, it's gonna be It's gonna be, it's gonna be  
Please make it be, let's make it be  
It's gonna be, it's gonna be  
It's gonna be
