In My Defence

Freddie Mercury

In my defence, what is there to say?
All the mistakes we've made must be faced today
It's not easy now, knowing where to start
While the world we love tears itself apartI'm just a singer with a song
How can I try to right the wrong?
For just a singer with a melody
I'm caught in between, with a fading dreamIn my defence, what is there to say?
We destroy the love, it's our way
We never listen enough, never face the truth
Then like a passing song, love is here
And then it's goneI'm just a singer with a song
How can I try to right the wrong?
For just a singer with a melody
I'm caught in between, with a fading dreamI'm just a singer with a song
How can I try to right the wrong?
For just a singer with a melody
I'm caught in between, with a fading dream
Caught in between, with a fading dream
Caught in between, with a fading dreamOh what on Earth, Oh what on Earth
How do I try
Do we live or die?
Oh help me God.
Please help me!
