

Don't Look Back

James Dean Bradfield

Sing another song
As long as the words donâ€™t break your heart
Have another drink
As long as you donâ€™t fall down again

If you think you can hear that same old sound
Donâ€™t look round
Donâ€™t look now
If you think you can see a way back home
Donâ€™t look back
Donâ€™t look back

Take another train
As long as it doesnâ€™t take you home
Tell another joke
As long as it doesnâ€™t make you cry

If you think you can hear that same old sound
Donâ€™t look round
Donâ€™t look now
If you think you can see a way back home
Donâ€™t look back
Donâ€™t look back

If you think you can hear that same old sound
Donâ€™t look round
Donâ€™t look now
If you think you can see a way back home
Donâ€™t look back
Donâ€™t look back
