:Wumpscut:

When I saw you there in the shadow of the setting sun
When I saw you there in the shadow of the setting sun
You looked so beautiful
You looked so beautifulWhen I saw you there I couldn't resist your tender kiss
When I saw you there I couldn't resist your warm caressYou had so much to give
You had your time to live
Christfuck christfuckI will bring us through thisAs always I will care you kicking and screaming
And in the end you will thank meYou had your time to liveChrist christ christ christ.....Christfuck
