

Graduation

Pete Schmidt

And so we talked all night about the rest of our lives

Where we're gonna be when we turn 25

I keep thinking times will never change

Keep on thinking things will always be the sameBut when we leave this year we won't be coming back

No more hanging out cause we're on a different track

And if you got something that you need to say

You better say it right now cause you don't have another dayCause we're moving on and we can't slow down

These memories are playing like a film without sound

And I keep thinking of that night in June

I didn't know much of love, but it came too soonAnd there was me and you, and then we got real blue

Stay at home talking on the telephone with me

We'd get so excited, and we'd get so scared

Laughing at ourselves thinking life's not fair

And this is how it feelsAs we go on, we remember

All the times we had together

And as our lives change, come whatever

We will still be friends foreverSo if we get the big jobs and we make the big money

When we look back now will our jokes still be funny?

Will we still remember everything we learned in school?

Still be trying to break every single rule?Will little brainy Bobby be the stockbroker man?

Can Heather find a job that won't interfere with her tan?

I keep, I keep thinking that it's not goodbye

Keep on thinking it's a time to fly

And this is how it feelsAs we go on, we remember

All the times we had together

And as our lives change, come whatever

We will still be friends foreverLa, la, la

Yeah, yeah, yeah

La, la, la

We will still be friends foreverWill we think about tomorrow like we think about now?

Can we survive it out there?

Can we make it somehow?

I guess I thought that this would never end

And suddenly it's like we're women and menWill the past be a shadow that will follow us 'round?

Will these memories fade when I leave this town?

I keep, I keep thinking that it's not goodbye

Keep on thinking it's a time to flyAs we go on, we remember

All the times we had together

And as our lives change, come whatever

We will still be friends forever
As we go on, we remember
 All the times we had together
 And as our lives change, come whatever
We will still be friends forever
As we go on, we remember
 All the times we had together
 And as our lives change, come whatever
 We will still be friends forever
