Beautiful In Los Angeles

Garrison Starr

Garrison Starr - Beautiful in Los AngelesYou are brilliant, but
You're amazing, what
Whatever I say, we'll be so safe
If my bubble pops
If my world gets rocked
I can say you could be anyone todayAre you still beautiful in los angeles
It's been so long, I can't handle it
Does it really make any difference
Cause I'm so far away
And you will never changeBetween eastern time
And really predictable lines
You make a pretty good case for
That lost look on your face
Tell me are you curious
Will you be curious enough to stay awake
When you finally feel your heart breakAnd I'm so beautiful in los angeles
When it's been so long you can't handle it
Will it really make any difference
Cause I'm so far away
And you will never changeI never get the chance to rehearse
And I can't explain it, for what it's worth
Will I ever get the chance to be true
Alone in a room with youWhere whatever we say
We're so safe, so safeAre you still beautiful in los angeles
It's been so long I can't handle it
Will it ever make any difference
I'm so far away
I'm so far away
Will we ever change
