

# My Uncle Used To Love Me But She Died

## Roger Miller

[Chorus]

My uncle used to love but she died

A chicken ain't chicken 'til he's licking good and fried

Keep on the sunny side

My uncle used to love me but she diedWho'll bid me quarter, thirty cents for a ring of keys

Three sixty-five for a dollar bill of groceries

I'll have me a car of my own someday but 'til then i need a ride (thanks Steve)

My uncle used to love me but she died[Chorus]Hamburger cup of coffee lettuce and tomato

Two times a dime to see a man kiss the alligator

One more time around free on the Ferris wheel ride

My uncle used to love me but she died[Chorus]Apples are for eating and snakes are for hissing

I've heard about a'hugging and I've heard about kissing

I read about it free in a fifty cent illustrated guide

My uncle used to love me but she died[Chorus: x2]
