

Never Been to Spain

Waylon Jennings

Well I've never been to Spain
But I kinda like the music
Say the ladies are insane there
And they sure know how to use it You can't refuse it, can't misuse it
They never gonna lose it Well I've never been to England
But I kinda like the Beatles
I was headed for Las Vegas
But I only made it out to needles Can't you feel it you must believe it
'Cause it feels so good Well I've never been to heaven
But I've been to Oklahoma
People tell me I was born there
But I really don't remember Well Oklahoma or Arizona
And what does it matter Well I've never been to Spain
But I kinda like the music
Say the ladies are insane there
And they sure know how to use it You can't refuse it, can't misuse it
And they never gonna lose it
