I Want

Morning Show

I don't know what you said, but I think I liked it
I don't what you mean't, but I think I liked it
I want you

Now I drink, but I know it's not the cure
Take me again
Feel better, but I know it's not the cure
to cut you off again

Watch her back again, because my eyes are on the prowl
Watch me kill again
I want you
I want you gone.

Breathe easy now in your strangers bed
keep me off your mind
I wrestled down my demons, my resent
forget your perfect lines

Throw your hands upon my eyes
ask me who I recognize.
Ask me who I recognize.
Throw your hands upon my eyes
Ask me who I recognize

When I wake I find you're the voice in my...
I want you
I want you gone

Throw your hands upon my eyes
Ask me who I recognize.
I want.
I want you.
I want you gone.
