

Because I Love You

Ray Conniff, Johnnie Ray

If I got down on my knees and I pleaded with you
If I crossed a million oceans just to be with you
 Would you ever, let me down?
If I climbed the highest mountain just to hold you tight
If I said that I would love you every single night
 Would you ever, let me down?
Well, I'm sorry if it sounds kinda sad
 It's just that I'm worried
 So worried that you'll let me down
 Because I love you, love you
 Love you, so don't let me down
If I swam the longest river just to call your name
If I said the way I feel for you would never change
 Would you ever, fool around?
Well, I'm sorry if it sounds kinda sad
 It's just that I'm worried
 So worried that you'll let me down
 Because I
 (Love you, love you)
 Love you, love you
Well, I'm sorry if it sounds kinda bad
 It's just that I'm worried
Yes, I'm so worried that you'll let me down
 Because I love you, love you
 Oooh, I love you, love you, love you
