Take Me Away

Wild Belle

If you wanna dance
You better come and ask me
Don't tell your friends
To stand in the corner, just to check me out
'Cause I've got moves, you better see for yourself
Don't be shy
How will I see you?
Come say: "Hello"
"Baby, how do you do?"
Oh, you don't have to be
You don't have to be so cool
Take me away
Take me away
I want you
I put on my purse and my finest fur
Get done up for you, if you like
I don't know you
But I wanna get to know you
So baby, baby, won't you come and treat me nice?

You can leave your telephone
On the napkin at the table
You know I'll call you
You know I'll call you
I want to
You know I'll call you
You know I'll call you
Because I want you
Take me away
Take me away
I want you
Take me away
Take me away
Because I want to
Take me away
Take me away
I want you
