He Ain't Comin' Back

Ashley Monroe

I wear him like a tattoo
I wear him like a scar
I wear him like a hangover
that ain't worn off so farI pour him cups of coffee
I take him in my dreams
I talk to him like he's still here
but you won't ever see him'Cause he ain't comin' back
happy where he's at
I'm livin' in the past
and he ain't comin' backThe mirror tells a story
that I don't want to hear
The reflection of a broken girl
has never been more clearI found his favorite t-shirt
that's a good excuse to call
but there's nothin' here that he wants
when he left he took it allHe ain't comin' back
happy where he's at
oh, I'm livin' in the past
he ain't comin' backI know what I did wrong
and I wish he'd come back homebut he ain't comin' back
happy where he's at
I'm livin' in the past
and he ain't comin' back
