

# Don't Stop the Party (feat. TJR)

Pitbull

You don't get them girls loose loose (TJR!)

You don't get the world loose loose

You don't get money move move

But I do I do

You don't get them girls loose loose

You don't get the world loose loose

You don't get money move move

But I do I do I said, y'all having a good time out there? Yeah, yeah, que no pare la fiesta

Don't stop the party

Yeah, yeah, que no pare la fiesta

Don't stop the party I'm running through the world like a running back

Scarface, world's mine, running back

Thirty thousand people went here on me

Eighty thousand in London Wembley

Ninety thousand people Morocco, and I'm just getting warmed up, papo

Catch me with Redone in Stockholm, Beirut, cafe getting my drink on

Where all the pretty women hit the hooka

All of them sweet, azucar, azucar

Dale disfruta They can't, they won't, they never will, stop the party

They can't, they won't, they never will, stop the party I said, y'all having a good time out there? Yeah, yeah, que no pare la fiesta

Don't stop the party

Yeah, yeah, que no pare la fiesta

Don't stop the party I'm from the city where they stretch, yeah they ?

And now I'm doing shows in Helsinki (Finland)

I know what y'all thinking, you're thinking,

That you can out think me, but you can't frankly

I'm out for the Benjies, Frankies, C-notes

Just 'cause you ain't me, don't hate me

As a matter fact you should thank me

Even if you don't, Joel come yankees

Zig-a zig-a zig-a zig-a

Who got the key to the world, now, yours truly They can't, they won't, they never will, stop the party

They can't, they won't, they never will, stop the party I said, y'all having a good time out there? Yeah, yeah, que no pare la fiesta

Don't stop the party

Yeah, yeah, que no pare la fiesta

Don't stop the party I'mma give it to ya, ah ah

Now give it to me, ah ah

I'mma give it to ya, ah ah  
Now give it to me, ah ah  
I'mma give it to ya, ah ah  
Now give it to me, ah ah  
Get funky, get funky  
Now stop! I said, y'all having a good time out there? Yeah, yeah, que no pare la fiesta  
Don't stop the party  
Yeah, yeah, que no pare la fiesta  
Don't stop the party Yeah, yeah, que no pare la fiesta  
Don't stop the party  
Yeah, yeah, que no pare la fiesta  
Don't stop the party Yeah, yeah, que no pare la fiesta  
Don't stop the party  
Yeah, yeah, que no pare la fiesta  
Don't stop the party
