

# 30 Days in the Hole

Steve Marriott

30 days in the hole, yeah  
30 days in the hole  
30 days in the hole  
30 days in the hole All right, all right, all right She called an old friend  
Talkin' bout a blind Lebanese  
A dirty room and a silver Coke spoon  
Give me my release  
Come on Black Nepalese  
It got ya weak in your knees  
They're gonna seize some dust  
That you got bust on  
You know it's hard to believe 30 days in the hole  
30 days in the hole  
30 days in the hole  
(That's what they'll give you)  
30 days in the hole Newcastle Brown  
I'm tellin' ya can sure smack you down  
Ya take a greasy whore  
In a rolling dance floor  
Got your head spinnin' round If ya live on the road  
Well, there's a new highway code  
Ya take the urban noise  
And some deadly poison  
Gonna lessen your load 30 days in the hole  
30 days in the hole  
30 days in the hole  
(Everybody say)  
30 days in the hole How're you doin' boy?  
I'm here for 30 days Get, get get get your [Incomprehensible]  
[Incomprehensible] Black Nepalese  
It got ya weak in your knees  
They're gonna seize some dust  
That you got bust on  
You know it's hard to believe Newcastle Brown  
I'm tellin' ya can sure smack you down  
Ya take a greasy whore  
In a rolling dance floor  
You know you're jail house bound 30 days in the hole  
30 days in the hole

(Everybody say)  
30 days in the hole  
(Alright mama)  
30 days in the hole30 days in the hole  
30 days in the hole  
(Everybody say)  
30 days in the hole  
(Shout)  
30 days in the hole  
30 days in the holeThat's right boy!  
I'll see you when you get out!
