

# Peace Be Revenged

Serj Tankian

Where are we to go?  
How can we survive?  
When the falling rain seems to cease  
We will all have to go Where are we to go?  
How can we survive?  
When the falling rain seems to cease  
We will all go We have built our lives  
Without nature in mind  
So that we've become the disease  
But we won't go Those that survive  
Can end with our life  
Peace will be returned  
We need to praise you  
Peace will first be revenged Once we used to hear  
But like footsteps appear  
Now we have no fear  
And in turn will disappear We have built our lives  
Without nature in mind  
So that we've become the disease  
But we won't go Those that survive  
Can end with our life  
Peace will be returned  
We need to praise you  
Peace will first be revenged  
Revenge, revenge When the rain washes  
All the mitochondria  
Try to steer your  
Intentions into love When your fears mix with  
Brain wash erosions, dear  
I won't be here then  
You won't be here when When the rain washes  
All the mitochondria  
Try to steer your  
Intentions into love When your dear mix with  
Brain wash erosions, fear  
I won't be here then  
You won't be here when Just watch the rain  
Just watch the rain  
Rain, watch the rain Just watch the rain

Just watch the rain  
Rain, watch the rain Where do we go?  
How do we meet you?
