

Ocean's 11

Seed

Ain't no job like robbin' a casino
we bombed that spot dressed up in tuxedos
champain poppin - it's better than a dream now
livin' in a plot by Quentin Tarantino now we're on the top like a criminal hero
start to live it up, take a trip to montego
to the left, to the right - everywhere that we go
people big us up, cause we started from zero. now we're on the next level and that's the dilly yo
bangin with some girls like in a hot video
spend money silly-o up in ontario
life is like rodeo, here we go, yippee yo!

(Chorus)

jump - jump in the pool when you got it done
jump - everything's cool when a job is done
jump - pop champagne till the morning come
shots from the watergun
to salute the sunjob's done and we lost the police
took a swerve pon fulton street
road is clear now, time to release
count all the money get ready for the honey's
big time we got more than we need
three big castles down by the sea
pure champagne inna mi jacuzzi
ten beautiful girls say my name
say "eased" Chorus

Ihr Zocker haut mich nicht vom Hocker
tankt euch voll und zahlt den Preis
Ich sauf Wasser anstatt Wodka
mein Pokerface liegt auf Eis
Ihr kÄ¶nnt zucken wie Joe Cocker
seid ihr Spieler oder Rocker
bleibt ruhig macht euch locker
was ihr bei euch habt reicht
ich hab Punk fÄ½r euch Popper
euer Blatt ist n' ScheiÄŸ
und jeder hier weiÄŸ
ich hab mehr als vier Asse
also zahl oder passe
das Spiel hat keine Klasse
her mit der Kasse

alles meins - ich bin reichChorus
